[REDACTED] accompanied by a Washington attorney, [REDACTED] came to see me concerning the denial of a visa to his daughter-in-law, [REDACTED]. After discussing the case at length, explaining the role played by this Agency, and the general resumptons relating to aliens seeking admission to the United States, I believe [REDACTED] and [REDACTED] were quite satisfied that the case was being handled properly, that no conspiracies existed, and that we were not exerting political pressure to deny her entry. There is more work to be done, but I believe the atmosphere is now completely friendly and I will continue to represent the Agency.
